

1.4 ENVIRONMENTAL POLICY STATEMENT

The Health & Safety Service Ltd are committed to the environmental policy to ensure that its services fully meet the requirements of its customers and the ISO 14001:2015 standard. The goal of the company is to reduce its impact on the environment, always protect the environment and prevent pollution. Commitment to the implementation of supporting managerial and business operational systems is essential to realising that goal.

The Health & Safety Service Limited aims to provide a high quality, cost effective service to our customers.

We are committed to quality of service whilst also minimising the company's effect on the environment.

Throughout its activities The Health & Safety Service Ltd will endeavour to:

- Continue to improve its environmental performance and prevention of pollution.
- Comply with all relevant legislation and regulatory requirements.
- Use energy efficient work equipment and implement energy saving measures.
- Ensure all activities are conducted in such a way as to cause minimum negative impact on the environment.
- Minimise waste production and use registered carriers for disposal while continuing to seek more efficient recycling methods wherever practicable.
- Promoting the use of environmentally friendly products and continuing to reduce the use of environmentally unsuitable ones.
- Raising the awareness of environmental issues with all The Health & Safety Service Ltd.'s employees and working in partnership with clients and suppliers to promote environment issues.

In order to achieve this The Health & Safety Service Ltd will:

- Operate an environmental management system and adopt working practices that will minimise the negative effects and/or enhance the positive effects the company has on the environment.
- Audit and review environmental performances.
- Train and educate all employees in respect of its environmental policies and encourage contribution of every employee towards improving the environmental performance of the company.

In the unlikely event of an environmental incident occurring due to the direct activities of The Health & Safety Service Ltd then the Environmental Agency will be contacted on 0800 80 70 60 and will receive the company's full cooperation to ameliorate the incident.
